

SKYLAKE YOSEMITE CAMP

CAMPER CODE-OF-RESPECT

I. Respect for other Campers

It will be my responsibility as a camper at Skylake Yosemite Camp to at all times honor and respect every other camper. My time spent at Skylake shall be a time when I treat every camper in the same way I wish to be treated by all other campers.

II. Respect for all Staff

It will be my responsibility as a camper to at all times respect every Skylake staff member. I understand that the staff members are in some instances not that much older than I am and that their job is very difficult. I will always be a positive influence and assist the staff to the best of my ability.

III. Respect for Skylake

It will be my responsibility to at all times respect Skylake Yosemite Camp. I understand that Skylake has a 63 year history of providing a safe and nurturing summer home for campers. I pledge to make sure Skylake is a better place because I was there and that I will do nothing to dishonor the camp.

IV. Respect for Property

It will be my responsibility at all times to respect the personal property of Skylake Yosemite Camp (facility, equipment, etc.) and the personal property of staff and all other campers.
